

**The Hashoo Foundation Education Program**  
**Scholarship Application Form for 2011-2012**

**INSTRUCTIONS: HF SCHOLARSHIPS CRITERIA & INSTRUCTIONS for COMPLETION of APPLICATIONS**

**Basic Criteria**

1. Hashoo Foundation is pleased to announce 20 full / partial scholarships awards for Graduate level studies (Under Graduate Programs) for the academic year 2011-12.
2. Each scholarship will be for one year and may be extended further for the duration of the degree course annually on the basis of academic performance.
3. HF scholarships are designed to cover full or partial costs that are directly related to the course, i.e. university/college fees.
4. These scholarships are need cum merit based. Only those students who genuinely deserve and have an excellent academic record (at least 75% marks in the previous course) will be considered for these scholarships.
5. This round of scholarships is only open to those students who have gained admission in **2011** in Hashoo Foundation approved institution for Graduate level studies (list attached).
6. Preference will be given to the most deserving and talented students from remote and far flung areas of Pakistan. In the likely event where there are more applications than scholarships on offer, the final listing will be developed using a matrix of needs, academic achievement and remoteness of family home.

The scholarship aims to provide financial assistance to students who are unable to meet their educational expenses.

Submission of a scholarship application in itself does not guarantee the award of a scholarship or place any other liability on the Hashoo Foundation.
